ARAGON

Modern high definition POS Terminal in a sleek and elegant design

Custom presents the **Aragon Windows® POS terminal**. With a **16:9 widescreen display**, it ensures better visibility into modern point of sale applications. **A POS Terminal that's built for the future**. A range of available processors make it applicable to any use case. The Aragon boasts **a sleek and slim design with future-proof full HD touch display and a full-glass front**.

CARACTERÍSTICAS

1. **Slim high-definition display with minimal bezels**
   The modern design and the all glass front are accentuated by the 12 mm bezels and 33 mm thickness.

2. **Fan-less and quiet**
   Highly ergonomic, thanks to the slim design, and fan-less for quiet operations.

3. **Compatible with different OS**
   It supports different operating systems: Windows® 10 IoT, Windows® 11 Pro and Linux.

4. **Kiosk or wall mounted**
   Aragon can be attached to any VESA fixture in either landscape or portrait position.

5. **Field upgradable**
   SSD easily upgradable to increase system specifications.

6. **Rich I/O**
   Onboard Ethernet, optional WiFi/ Bluetooth and a host of retail-specific ports provide extensive device and network connectivity.
