PEAK Windows

Touch Computer

The **commercial-grade and highly versatile** Peak Windows Touch Computer provides flexibility and performance to fit any use case. Available in a 21.5-inch size and featuring an assortment of optional peripherals, stands and mounts, the Peak can be transformed to fit any use case: POS, Self-Service, Price Checker, Endless Aisle Station, Kitchen Display System, or Digital Signage. The device can be powered by two different processors: the advanced 11th generation Intel® Core i5-1145G7E or the robust Celeron J6412. Supported by Custom's warranty, the Peak is **built to provide longevity and reliability for any environment**.

CARACTERÍSTICAS

1. **Modular Design**
   Slim and sleek and featuring an assortment of bezel-attached peripherals, the Peak Windows is designed to fit any industry: Retail, Restaurant, Entertainment, Aviation, Lottery, Gaming, Betting and Warehouse

2. **Commercial-Grade Performance**
   Peak delivers secure and reliable performance for all applications, also thanks to the choice between two different processors: the advanced 11th generation Intel® Core i5-1145G7E or the robust Celeron J6412

3. **Extreme Versatility**
   The Peak can be adapted to any touchpoint requirement. Leverage its extensive I/O and transform it into a robust countertop POS system. Mount it on one of Custom's Connect kiosk stands and you have an instant self-service device. Affix it to the wall or shelf and deploy it as a price checker, endless aisle station or kitchen display system

4. **Designed for Retail**
   Ruggedized for Retail, the Peak features a host of retail-specific ports providing extensive device and connectivity

5. **Extensive OS Support**
   Choose from Windows 10 IoT, Windows 11 Pro and Windows 11 IoT (when released) operating systems. For added flexibility, the Peak is available in a no OS configuration enabling you to load the Linux build that best suits your environment
