TREK Android 15.6"

Versatile POS solution made for today’s connected environments

TREK Android by Custom Group is your versatile, all-in-one solution for true functionality. Designed to seamlessly power a variety of applications - including **POS, Self-Service, KDS, Price Checker**, and more - TREK combines high performance, rich connectivity, and proven versatility to meet the demands of any customer touchpoint.

Google-approved and packed with power, the TREK Android 15.6" with its included stand delivers both performance and elegance to your checkout counter. Pair it with Custom’s **CONNECT** stand to instantly convert it into a selfservice station. Retail-hardened and backed by Custom’s trusted warranty, TREK is purpose-built to withstand the rigors of high-traffic environments.

TREK has five other options available:
